LSTA FY 2003 Digitization Mini-Grant Final Narrative Report

1. Library Name

2. Project Number

3. Title of Project

4. Grant Administrator (include typed name and signature)

5. Restate the project's purpose, goals and, objectives and provide a brief list of the project's results.

6. **Detailed Project Accomplishments.** Report details of project accomplishments including the results of any measures to evaluate the project. Provide information on the impact that the project may have had on your patrons and community. If applicable, include statistics, user surveys, evidence of modified behavior, anecdotes, comments, and letters.

7. **Subjective Evaluation.** In your opinion, what were the project's sucesses and failures? In retrospect, what would you do differently?

8. **Project Continuation.** Describe plans to continue the project. Explain future funding support.

9. Libraries are encouraged to submit their "LSTA Success Story" to the American Library Association at https://cs.ala.org/ra/lsta/. Please attach a copy and description of materials submitted to ALA, or explain here if your library choose not to submit information to this website.

10. We are interested in your opinion on future uses of federal LSTA funds in Michigan. What additional areas of community and patron needs could be addressed?

Return 1 original and 1 copy by June 15, 2004.
